ABOUT US

SCRIPTMED, INC.
Advance Meds... Enhancing Life

Founded in August 20, 2010, Scriptmed Inc. was established in response to the growing need for high-quality healthcare solutions for patients with chronic kidney disease. With a focus on improving patient outcomes, Scriptmed Inc. is dedicated to distributing and selling both local and imported medical drugs that provide support and relief to individuals with renal health needs.

As a trusted name in healthcare, we are committed to supplying healthcare professionals with advanced pharmaceutical products that foster better treatment results. Additionally, we have designed a healthcare delivery system that prioritizes convenience and effectively meets the needs of our end consumers.
